Eight certification criteria listed below, for new or existing training content through a Request for Certification (RFC) directly to the Joint Staff J7 certification team. The eight joint course certification criteria are:

- Content must meet a joint training requirement that supports a joint operational need as identified in a Combatant Commander's joint training plan, or any other strategic authoritative joint document.
- Content must be in accordance current joint doctrine, which can be found on the Joint Electronic Library Plus (JEL+)
- Learning objectives must link to current Universal Joint Tasks (UJTs) that can be searched via the Universal Joint Task List (UJTL) on the JEL+ ..
- Course must have an assessment that tests and documents a learner's achievement of the training objectives. The course must have an evaluation standard, such as pass/fail or minimum score.
