

## Attachment B

### 2024 Command Climate Assessment Plan of Actions and Milestones

As of: 29-Apr-24

*This timeline represents the maximum time allotted by OPA for the Command Climate Assessment, and the maximum time allotted for subsequent action planning to meet OPA's suspense for the Comprehensive Integrated Primary Prevention (CIPP) plan. Commander's may choose to field the DEOCS for less time, or adjust other steps/actions, as recommended by their trusted advisors and subject matter experts.*
