

Army & Air National Guard Military Construction Program Summary

- *Projects in the Fiscal Year 2015 President's Budget.*
- *Projects in the Future Years Defense Program Fiscal Years 2016 – 2019.*

EXECUTIVE SUMMARY

The National Guard uses military construction funds for the construction, acquisition, expansion, rehabilitation, and conversion of facilities for the training and administration of Soldiers and Airmen.

The President's Budget Request for Fiscal Year 2015 for Army National Guard Military Construction includes six projects and totals nearly \$127 million (about \$96 million for project funding and about \$21 million for unspecified minor construction and planning and design). The Future Years Defense Program for Army National Guard Military Construction includes 43 projects, and totals just over \$1 billion.

The President's Budget Request for Fiscal Year 2015 for Air National Guard Military Construction includes seven projects and totals nearly \$95 million (roughly \$78 million for project funding and almost \$16 million for unspecified minor construction and planning and design). The Future Years Defense Program for Air National Guard Military Construction includes 41 projects, and totals over \$450 million.
