Joint Qualification Report

Fiscal Year 2017
3rd Quarter

30 June 2017

Foreword

From the Deputy Director for Joint Training, Joint Staff, J7

Subject: Joint Staff J7 Joint Qualification Report for FY17 3rd Quarter

The Department of Defense Joint Officer Management Joint Qualification System Implementation Plan dated 30 March 2007, outlines the multi-level joint qualification concept and identifies lead and supporting organizations. The current Joint Qualification System (JQS) (1 October 2007) offers an additional "experience-based" track with a point system for qualifying joint service. The original track remains in place, while the experience track allows for awarding whole or partial credit for any joint experience an officer wishes to submit for consideration.

The current JQS recognizes the military skills that are required to respond to the range of national security threats, accounts for the intensity, environment, duration or frequency of a joint activity and awards credit to reserve component officers.

The Joint Staff J7 point of contact for joint course certification is Dr. Beth Lape, (757) 203-5507, DSN 668-5507, elizabeth.o.lape.civ@mail.mil. Users are invited to send comments and suggested improvements to Ms. Theresa McDaniel, (757) 203-5509, DSN 668-5509, theresa.l.mcdaniel.civ@mail.mil.

The Joint Staff J7 point of contact for joint exercises is LTC Mike Moloney, (703) 697-1133; DSN: 227-1133, michael.c.moloney.mil@mail.mil. The list of joint exercises eligible for discretionary points is posted on the portal site noted below.

Joint Qualification System

The Joint Qualification System (JQS) operationalizes the Joint Officer Management (JOM) statutes in reference a, and policy in reference b, and is intended to further enhance the goals and objectives of the Goldwater-Nichols Act of 1986 as amended. The JQS is a multi-level system open to all officers of the active and reserve components, which recognizes joint experiences, regardless of where or how they accrue.

Joint Qualification System Primer

Joint qualifications can be obtained through three paths:

Standard-Joint Duty Assignment (S-JDA) Traditional Path

Through which the majority of officers will continue to complete a joint duty assignment (JDA). S-JDAs refer to positions on the Joint Duty Assignment List (JDAL) for the standard tour length as defined by 10, U.S.C, 664.

- Active Component (AC) and Reserve Component (RC) officers must be assigned to a JDAL position to receive joint duty credit under the "traditional" JDA path.
- Assignment to different JDAL positions with no break in time may be counted as one continuous tour of duty to meet minimum tour length requirements.
- Active Component and full-time RC officers must serve a minimum of three years to receive full joint duty credit, unless waived by the Military Personnel Policy (USD(MPP)), or meet the requirements for early release as outlined in enclosure h of reference (c). Officers who serve in a S-JDA less than the duration needed to qualify for full joint duty credit may receive accrued credit for time served in the S-JDA.
- Officers in the grade of O-3 assigned to S-JDAs may receive joint duty credit; all joint duty provisions apply, including tour length and early release requirements. Officers in grades O-1 and O-2 may not be assigned to S-JDAs.

Experience-Joint Duty Assignment (E-JDA) - Experience Path

Through which an officer accumulates an equivalent level of joint experience. Discretionary points, to include joint exercises, joint training, and other education that contributes on an officer's expertise in joint matters, may be combined with E-JDA points to achieve the minimum points required for each qualification level.

- This is a non-JDAL assignment or experience that demonstrates an officer's mastery of knowledge, skills, and ability in joint matters.
- Officers nominate via the self-nomination web-based application found at <https://www.dmdc.osd.mil/appj/jmis/JQSLoginMain.do>.
- Officers submit their self-nominated joint experience to their respective Military Service Personnel Center for processing within 1 year of completing their joint experience. Refer to reference (c) for additional information.
- Submissions are first screened and vetted by the Service Joint Officer Management and Personnel/Human Resource staffs before being forwarded to the Joint Staff for evaluation by a Joint Experience Review Panel.
- Officers in the grade of O-7 (or O-7 select) should contact their Service General or Flag Officer Matters office for details on how to self-nominate experiences
- The Joint Experience Review Panels will consider and adjudicate self-nominated experiences, unless addressed specifically in the Joint Staff, J1, JQS experience review guidance. The Joint Staff, J1/JOM, schedules panel dates, request Service nominations for panel membership and sets self-nomination experience submission suspense dates prior to the panel review. The Joint Staff J1, will serve as the panel chair for O-6 panels; conversely, an O-6 from the Joint Staff J1, will serve as the panel chair for O-5 and below.
 - The Panel may: (1) recommend disapproval of the experience as clearly not having met the standard; (2) validate the experience as meeting the standard and determine the intensity factor to be applied. Intensity factor is based on location of experience. If experience is gained in a hostile fire pay or imminent danger pay area (determined by OSD) then that experience receives an intensity factor multiplier of 3. All others are intensity factor 1. CJCS may award intensity factor 2 for rare experiences, such as Katrina disaster relief; or (3) take no action.

- The Panel forwards a recommendation that officers with validated joint experiences be awarded joint experience points by the Chairman of the Joint Chiefs of Staff; recommendations for disapproval are also forwarded. The Vice Director, Joint Staff, has been delegated approval authority on behalf of the Chairman.

Combination of S-JDA and E-JDA

A combination of S-JDA time served and E-JDA joint experiences (to include experience and discretionary points as noted above) that are combined to meet the minimum 36 months/points requirement, although over 36 months/points may be required due to the 12-month recency requirements.

- Part-time officers obtain full joint duty credit in a part-time JDAL position upon completion of one of the three different paths. To earn full tour credit in part-time JDAL position, an officer must complete all participation requirements in a part-time S-JDA position and the required number of E-JDA points. See table below.

| | Years in S-JDA | + Experience Points | Minimum Annual Participation in S-JDA (days a year) |
|------------------------|----------------|---------------------|---|
| O-6 and Below | | | |
| 6-Year S-JDA Credit | 6 | 0 | 66 |
| 3-Year S-JDA/E-JDA | 3 | 10 | 36 |
| 2-Year S-JDA/E-JDA | 2 | 18 | 36 |
| O-7 and Above | | | |
| Full G/FO S-JDA Credit | 4 | 0 | 66 |
| G/FO S-JDA/E-JDA | 2 | 7 | 36 |

Levels of Joint Qualification

An Officer's eligibility for consideration to be awarded joint qualifications level II- IV will be based on the completion of the requisite education, joint experience points and discretionary points. See table below.

| LEVEL | CRITERIA |

A maximum of 6 discretionary points may be derived from joint training, joint exercises, and other education.</p> <p>NOTE: Officers who have full joint tour credit and have completed JPME Phase I may be nominated by their Service, in accordance with procedures established by the CJCS, to be designated as Level II.</p> |
| III | <p>a. Awarded upon completion of JPME Phase II or AJPME (RC officers not on the ADL) and accrual of a minimum of 36 total points (based on Level II point requirements, normally 18 more points since Level II) or full joint duty credit, and certification by the Secretary of Defense or his or her designee.</p> <p>b. A minimum of 24 points must come from joint experience.</p> <p>c. A maximum of 12 discretionary points may be derived from joint raining, joint exercise, and other education.</p> |

| IV G/FO Only | <p>a. Awarded upon completion of Capstone and accrual of 24 joint experience points or full joint G/FO credit from an assignment after completing at least 14 months in a G/FO joint billet in OSD, the Joint Staff, CCMD headquarters (HQ) joint task force (JTF) HQs, or Defense Agencies and DoD Field Activities, hold designation as a JQO, and certification by the Secretary of Defense or his or her designee.</p> <p>b. Officers must be a G/FO (for pay purposes) for at least 1 day while filling the G/FO S-JDA or during the period for which joint experience points are earned.</p> |

Joint Matters - Statutory Definition

Whether validating a position for placement on the JDAL or validating individual experiences, the criteria that must be met in the statutory definition of “joint matters” – both “what you do” and “who you do it with” aspects:

- **WHAT:** Matters related to the achievement of unified action by integrated military forces in operations conducted across domains such as land, sea or air, in space, or in the information environment, including matters relating to:
 - National military strategy;
 - Strategic planning and contingency planning;
 - Command and control of operations under unified command;
 - National security planning with other departments and agencies of the United States;
 - Combined operations with military forces of allied nations; or
 - Acquisition matters addressed by military personnel and covered under chapter 87 of Title 10 U.S.C.
- **WHO:** In the context of joint matters, the term “integrated military forces” refers to military forces that are involved in the planning or execution (or both) of operations involving participants from
 - more than one military department; or
 - military department and one or more of the following:
 - Other departments and agencies of the United States;
 - The military forces or agencies of other countries; or
 - Non-governmental persons or entities.

Joint Training Course Certification

The information below details the guidelines, preparation and conduct of the individual joint training certification process (this process shall not be construed to include the legislatively mandated Process for Accreditation of the Joint Education (PAJE) directed in CJCS policy through the OPMEP).

Providing warfighters with effective and accurate individual joint training and education is essential to the successful employment of the U.S. joint forces. Individual joint training and education must be based upon approved joint doctrine, validated and approved joint concepts, or vetted best practices where doctrinal voids exist. The individual joint training certification process includes five stages, initiation, validation, course review, database entry and certification or recertification package completion. Additional information can be found in reference d.

Organizations will submit documentation supporting the eight certification criteria listed below, for new or existing training content through a Request for Certification (RFC) directly to the Joint Staff J7 certification team.

The eight joint course certification criteria are:

- Content must meet a joint training requirement that supports a joint operational need as identified in a Combatant Commander's joint training plan, or any other strategic authoritative joint document.
- Content must be in accordance current joint doctrine, which can be found on the Joint Electronic Library Plus (JEL+)
- Learning objectives must link to current Universal Joint Tasks (UJT) that can be searched via the Universal Joint Task List (UJTL) on the JEL+.
- Course must have an assessment that tests and documents a learner's achievement of the training objectives. The course must have an evaluation standard, such as pass/fail or minimum score.
- Course must have a lifecycle maintenance plan. Courses that have been certified as joint must be reviewed, updated, and recertified regularly to reflect revisions in joint doctrine, time-sensitive information, and/or content modifications to ensure content currency and accuracy.
- Course should support the interest of two or more Military Departments and be accessible to all Service personnel who meet course requirements. Ideally, the intent is for all Services to be able to accept the program of instruction as meeting appropriate course content.
- Course should not duplicate existing material.
- Joint course instructors must possess relevant experience and knowledge of joint operations and/or activities related to the course. This criteria is not applicable to web-based instruction.

Course certification will expire three years from the date certified. Extensions will be granted on a case by case basis, NOT to exceed 6 months. The Office of Primary Responsibility (OPR) can pull certification at any time.

Joint certified courses can be found in Appendix A, and joint certified exercises can be found in Appendix C. JQO points may be accrued by completing joint certified individual training courses.

Discretionary Points

JQS acknowledges officers may gain expertise in joint matters based on their participation in joint exercises, other forms of joint training (does not apply when attending as a student), and education other than JPME and that these types of opportunities may also garner discretionary points. However, discretionary points alone will not enable an officer to earn joint qualification. Officers may not be awarded discretionary points for "joint exercises" while serving in an S-JDA tour or during any period for which the officer is awarded E-JDA points.

Discretionary points may be earned from joint exercises and joint training/education (to include resident and distance learning joint courses) that contribute to an officer's expertise in joint matter. Discretionary points are designated by the Joint Staff, J-7, and must have direct relevance to the definition of joint matters:

- Exercise points will be determined by the individual's participation related to joint matters as follows:
 - **Leader:** three (3) points. Exercises formal authority and direction over significant organizational elements or major tasks.
 - **Planner:** two (2) points. Serves as the focal point for an activity or organization and is empowered to speak on behalf of their organization and make commitments for specified support.
 - **Participant:** one (1) point. A person actively involved in an event capable of making positive contributions to the mission.
- Joint training/education will be assigned joint qualification points based on course content and duration.

| <u>Hours Training</u> | <u>Number JOO Points</u> |
|-----------------------|--------------------------|
| <16 hours | 0 points |
| 16 - 39 hours | 0.5 point |
| 40 - 59 hours | 1 point |
| 60 - 99 hours | 1.5 points |
| ≥ 100 hours | 2 points |

Point Accrual Formula

Approved joint experience points are derived from the duration and intensity of a joint experience, and equal the number of approved joint experience days divided by 30.4, with the result multiplied by an approved intensity factor. For the Reserve Component, the calculation of approved joint experience days performed as Inactive Duty Training is divided by half. The intensity is determined by the location and environment (combat, non-combat, and steady-state) in which the joint experience is gained.

- Combat: intensity factor of three. The intensity factor is correlated to the receipt of hostile fire/imminent danger pay as specified in Volume 7 of the DoD Financial Management Regulation 7000, Chapter 10, Figure 10-1.
- Non-combat: intensity factor of two. These experiences are significantly more intense than steady-state experiences. The CJCS must identify and certify which events and operations will qualify in this category. The Combatant Command may nominate operations for consideration. Examples include but are not limited to military actions other than war, such as humanitarian relief/disaster assistance and overseas drug interdiction operations (e.g. Hurricane Katrina and tsunami relief).
- Other assignments or steady-state: intensity factor of one. This includes any joint duty assignment that does not qualify under sections above. This may also include joint experiences gained while assigned to a Military Service position, excluding those qualifying for combat experiences.

Point Accrual Formula

Joint EXPERIENCE Points = Duration (Months) x Intensity Factor*

*Combat: 3, Non-Combat: 2, Steady-state: 1

DISCRETIONARY Points = Education + Training + Exercise

Education / Training = degree or certification related to "Joint Matters" [Pts TBD]

Exercise Points = Role [Participant (1pt), Key Participant/Planner (2pts), Leader (3pts)]

JOINT QUALIFICATION LEVEL = EXPERIENCE Pts + DISCRETIONARY Pts + JOINT EDUCATION
