Joint Qualification Report

Fiscal Year 2019
1st Quarter

JS J7

Foreword

From the Deputy Director for Joint Training, Joint Staff, J7

Subject: Joint Staff J7 Joint Qualification Report for FY2019 1st Quarter

The Department of Defense Joint Officer Management Joint Qualification System Implementation Plan dated 30 March 2007, outlines the multi-level joint qualification concept and identifies lead and supporting organizations. The current Joint Qualification System (JQS) (1 October 2007) offers an additional "experience-based" track with a point system for qualifying joint service. The original track remains in place, while the experience track allows for awarding whole or partial credit for any joint experience an officer wishes to submit for consideration.

The current JQS recognizes the military skills that are required to respond to the range of national security threats, accounts for the intensity, environment, duration or frequency of a joint activity and awards credit to reserve component officers.

The Joint Staff J7 point of contact for joint course certification is Dr. Beth Lape, (757) 203-5507, DSN 668-5507, elizabeth.o.lape.civ@mail.mil. Users are invited to send comments and suggested improvements to Ms. Theresa McDaniel, (757) 203-5509, DSN 668-5509, theresa.l.mcdaniel.civ@mail.mil.

The Joint Staff J7 point of contact for joint exercises is Mr. Daniel Abahazy, (703) 614-6641; DSN: 224-6641, daniel.f.abahazy.civ@mail.mil.

Joint Qualification System

The Joint Qualification System (JQS) operationalizes the Joint Officer Management (JOM) statutes in reference a, and policy in reference b, and is intended to further enhance the goals and objectives of the Goldwater-Nichols Act of 1986 as amended. The JQS is a multi-level system open to all officers and recognizes joint experiences, regardless of where they occurred.

Joint Qualification System Primer

Joint qualifications can be obtained through three paths:

Standard-Joint Duty Assignment (S-JDA) - Traditional Path
Through which the majority of officers will continue to complete a traditional joint duty assignment (JDA). S-JDAs refer to positions on the Joint Duty Assignment List (JDAL) for the standard tour length as defined by 10, U.S.C, 664.
- Active Component (AC) and Reserve Component (RC) officers must be assigned to a JDAL position to receive joint duty credit under the "traditional" JDA path.
- A tour of duty in which an officer serves in more than one S-JDA without a break between such assignments will be considered to be a single tour of duty in a S-JDA.
- Active Component and full-time RC officers must serve a minimum of two years to receive full joint duty credit. Officers who serve in a S-JDA less than the duration needed to qualify for full joint duty credit must have their Service submit a Joint Tour Length Waiver and will only receive accrued credit for time served in the S-JDA if the early release is necessary to allow reassignment to a command-boarded position, senior developmental education, or promotion to O7.
- Officers in the grade of O-3 assigned to S-JDAs may receive joint duty credit; all joint duty provisions apply, including tour length and early release requirements.

Experience-Joint Duty Assignment (E-JDA) - Experience Path
Through which an officer accumulates an equivalent level of joint experience. Discretionary points, to include joint exercises, joint training, and other education that contributes on an officer's expertise in joint matters, may be combined with E-JDA points to achieve the minimum points required for each qualification level.
- This is a non-JDAL assignment or experience that demonstrates an officer's mastery of knowledge, skills, and ability in joint matters.
- Officers nominate via the self-nomination web-based application found at <https//jqs.dmdc.osd.mil/appj/jqs>.
- Officers submit their self-nominated joint experience to their respective Military Service Personnel Center for processing within 12 months of completing their joint experience. Refer to reference (c) for additional information.
- Submissions are first screened and vetted by the Service Joint Officer Management and Personnel/Human Resource staffs before being forwarded to the Joint Staff for evaluation by a Joint Experience Review Board.
- Officers in the grade of O-7 (or O-7 select) should contact their Service General or Flag Officer Matters office for details on how to self-nominate experiences
- The Joint Experience Review Boards will consider and adjudicate eligible self-nominated experiences. The Joint Staff, J1/Joint Officer Management (JOM), schedules panel dates, request Service nominations for panel membership and sets self-nomination experience submission suspense dates prior to the panel review. The Joint Staff DJ1, will serve as the board chair reviewing O-6 and above submissions; conversely, an O-6 from the Joint Staff J1, will serve as the board chair for O-5 and below submissions.
  - The Board may: (1) recommend disapproval of the experience as clearly not having met the standard; (2) validate the experience as meeting the joint matters standard; or (3) take no action and send the submission back to the officer for rework.
  - The Board forwards a recommendation that officers with validated joint experiences be awarded joint experience points by the Chairman of the Joint Chiefs of Staff; recommendations for disapproval are also forwarded. The Joint Staff, DJ1 has been delegated approval authority on behalf of the Chairman.

Combination of S-JDA and E-JDA

A combination of approved S-JDA time and E-JDA joint experiences (to include experience and discretionary points as noted above) that are combined to meet the minimum 24 months/points requirement A minimum of 12 months in a position, either aggregated or served all at once, must come from joint experience earned in the pay grade of O4 or higher.

- Part-time Reserve officers obtain full joint duty credit in a part-time JDAL position upon completion of one of the three different paths. To earn full tour credit in part-time JDAL position, an officer must complete all participation requirements in a part-time S-JDA positon and the required number of E-JDA points. See table below.

	Years in S-JDA	+ Experience Points	Minimum Annual Participation in S-JDA (days/year)*
O-6 and Below			
4-Year S-JDA Credit	4	0	36
3-Year S-JDA/E-JDA	3	10	36
2-Year S-JDA/E-JDA	2	18	36
O-7 and Above			
Full G/FO S-JDA Credit	3	0	36
G/FO S-JDA/E-JDA	2	7	36

*The annual participation accounting date will be the anniversary date the officer was assigned to the JDAL position.

Levels of Joint Qualification

An Officer's eligibility for consideration to be awarded joint qualifications level II- IV will be based on the completion of the requisite education, joint experience points and discretionary points. See table below.

LEVEL	CRITERIA

II	• Awarded upon completion of JPME Phase I and accrual of 12 points and certification by the Secretary of the Military Department concerned.
	  • A minimum of 6 points must come from joint duty or experience.
	  • A maximum of 6 discretionary points may be derived from joint training, joint exercises, and education/training courses other than JPME.
	
	NOTE: Officers who have full joint tour credit and have completed JPME Phase I may be designated as Level II by the Secretary of the Military Department concerned.

III	• Awarded upon completion of JPME Phase II and accrual of a minimum of 24 total points (based on Level II point requirements, normally 12 more points since Level II) or full joint duty credit, and certification by the USD(P&R).
	  • A minimum of 18 points must come from joint duty or experience. A maximum of 6 discretionary points may be derived from joint training, joint exercises, and education/training courses other than JPME.
	  • Recency requirement: a minimum of 12 months in a position, either aggregated or served all at once, must come from joint experience earned in the pay grade of O-4 or higher. Officers must be an O-4 (for pay purposes) for at least 1 day while filling an S-JDA or during the period for which joint experience points are earned.
	
	• Formal designation: JQO.

LEVEL	CRITERIA
	• JQO designation is required for appointment as an O-7 (ADL officers only).

IV
G/FO
Only
	• Awarded upon completion of Capstone and accrual of 24 joint experience points or full joint GO/FO credit from an assignment after:
	  • Completing at least 14 months in a GO/FO joint billet or joint pool billet (as designated by the Secretary of Defense) in OSD, the Joint Staff, CCMD headquarters (HQ), joint task force HQ, or in a Defense Agency or DoD Field Activity.
	    • Certification by the USD(P&R).
	
	• Officers must be a GO/FO (for pay purposes) for at least 1 day while filling the GO/FO S-JDA or during the period for which joint experience points are earned.

Definition of Joint Matters

- Matters related to the development or achievement of strategic objectives through the synchronization, coordination, and organization of integrated forces in operations conducted across domains such as land, sea, or air, in space, or in the information environment, including matters relating to any of the following:
    - National military strategy.
    - Strategic and contingency planning.
    - Command and control, intelligence, fires, movement and maneuver, protection, or sustainment of operations under unified command.
    - National security planning with other departments and agencies of the United States.
    - Combined operations with military forces of allied nations
- Acquisition matters conducted by Service members and covered under Chapter 87 of Title 10, U.S.C., involved in developing, testing, contracting, producing, or fielding of multi-Service programs or systems.
- Other matters designated in regulation by the Secretary of Defense in consultation with the CJCS.

Joint Qualification Points

JQS acknowledges officers may gain expertise in joint matters based on their participation in joint exercises, other forms of joint training (does not apply when attending as a student), and education other than JPME and that these types of opportunities may also garner discretionary points. However, discretionary points alone will not enable an officer to earn joint qualification. Officers may not be awarded discretionary points for "joint exercises" while serving in an S-JDA tour or during any period for which the officer is awarded E-JDA points.

Joint experience points are one of three components contributing to an officer's eligibility to earn joint qualification Levels II – IV. Points are computed by multiplying the duration of the experience by the intensity factor, as depicted in Figure 1.
- Duration: 1 month (30.4 days) equals one point.
- Intensity:
    - Combat is a multiplier of 2. The combat intensity factor will be correlated to the receipt of hostile fire or imminent danger (HF/ID) pay.
    - Non-combat experiences are a multiplier of 1. This includes any JDA that does not qualify under Paragraph 3.4(2)(a).
    - When the application of the intensity multiplier results in a point value of 24 or higher, it will be considered to be a full joint tour of duty in accordance with the 2 year joint duty tour length specified in Section 664 of Title 10, U.S.C. Officers must still meet the recency requirement to serve in a position for 12 months in a position as an O-4 or above.

Discretionary points may be earned from joint training, joint exercises, or other education or training, other than JPME, that contributes to an officer's expertise in joint matters.

> Joint EXPERIENCE Points = Duration (Months) x Intensity Factor*
> *Combat: HF/ID: 2, Non-Combat: 1
>
> DISCRETIONARY Points = Education + Training + Exercise
> Education / Training = degree or certification related to "Joint Matters"
> Exercise Points = Key Participant/Planner/Leader (1pt)
>
> JOINT QUALIFICATION LEVEL = EXPERIENCE Pts + DISCRETIONARY Pts + JOINT EDUCATION

Joint Training Course Certification

As noted previously, discretionary points may be earned from education or training that contributes to an officer's expertise in joint matters. The information below details the guidelines, preparation and conduct of the individual joint training certification process that results in courses being awarded discretionary points (this process shall not be construed to include the legislatively mandated Process for Accreditation of the Joint Education (PAJE) directed in CJCS policy through the OPMEP).

Providing warfighters with effective and accurate individual joint training and education is essential to the successful employment of the U.S. joint forces. Individual joint training and education must be based upon approved joint doctrine, validated and approved joint concepts, or vetted best practices where doctrinal voids exist. The individual joint training certification process includes five stages, initiation, validation, course review, database entry and certification or recertification package completion. Additional information can be found in reference d.

Organizations will submit documentation supporting the eight certification criteria listed below, for new or existing training content through a Request for Certification (RFC) directly to the Joint Staff J7 certification team. The eight joint course certification criteria are:

- Content must meet a joint training requirement that supports a joint operational need as identified in a Combatant Commander's joint training plan, or any other strategic authoritative joint document.
- Content must be in accordance current joint doctrine, which can be found on the Joint Electronic Library Plus (JEL+).
- Learning objectives must link to current Universal Joint Tasks (UJTs) that can be searched via the Universal Joint Task List (UJTL) on the JEL+.
- Course must have an assessment that tests and documents a learner's achievement of the training objectives. The course must have an evaluation standard, such as pass/fail or minimum score.
- Course must have a lifecycle maintenance plan. Courses that have been certified as joint must be reviewed, updated, and recertified regularly to reflect revisions in joint doctrine, time-sensitive information, and/or content modifications to ensure content currency and accuracy.
- Course should support the interest of two or more Military Departments and be accessible to all Service personnel who meet course requirements. Ideally, the intent is for all Services to be able to accept the program of instruction as meeting appropriate course content.
- Course should not duplicate existing material.
- Joint course instructors must possess relevant experience and knowledge of joint operations and/or activities related to the course. This criteria is not applicable to web-based instruction.

Course certification will expire three years from the date certified. Extensions will be granted on a case by case basis, normally NOT to exceed 6 months. The Office of Primary Responsibility (OPR) can pull certification at any time.

Joint certified courses can be found in Appendix A. JQO points may be accrued by completing joint certified individual training courses.

Joint training/education will be assigned joint qualification points based on course content and duration.

Hours Training	Number JQO Points
<16 hours	0 points
16 - 39 hours	0.5 point
40 - 59 hours	1 point
60 - 99 hours	1.5 points
≥ 100 hours	2 points

A JOM–JQS portal site has been created as a useful tool for obtaining information on the program, this site can be found at https://wss.apan.org/js/JSOFUN/jom_jqs/SitePages/Home.aspx.
